

# BURLINGTON TOWNSHIP POLICE DEPARTMENT CONTACT ASSISTANCE AND REFERRAL PROGRAM

The Contact Assistance and Referral Program continues to provide a vital service to seniors in our community. Its purpose is contact and assist seniors and other individuals or groups that may be at risk or may be more sensitive or vulnerable to extreme weather. Members of the Burlington Township Police Department, along with members of the CERT Team, make calls to residents signed up for the program to confirm they are safe. If we cannot reach them or their designated emergency contacts, an officer is sent to the residence to check on their well-being. The program is open to all senior residents of Burlington Township.

If you or someone you know would like to sign up for the program, please complete the form below and return it to Burlington Township Police Department, 851 Old York Road, Burlington, NJ 08016. You may also sign up through our website at [burltwppd.com](http://burltwppd.com).
