

BTPD Community Outreach Partnership

The Burlington Township Police Department instituted a program to alert our residents and businesses of suspicious activity in their neighborhood in 2004. Bulletins are sent over the Internet to a resident's email address.

The intent of the C.O.P. program is to notify the resident or business so they may be on the alert and report any information that might assist in solving crimes. Instructions are included on the bulletin for reporting information that might help solve the crime. We are not asking our citizens to be police officers, but just the eyes and ears for us so that we may be more effective in serving them.

To join our program, all you need to have is an email address where we can send you bulletins. You will be responsible to check your email daily to see if any new bulletins are received. If you would like to share the bulletins with your neighbors who do not have access to the Internet, we encourage you to do so.

If you would like to be a member of C.O.P., please complete the form below and return it by mail or in person to the Burlington Township Police Department, 851 Old York Rd., Burlington, NJ 08016 Attn: COP Program
